Week Of Prayer Next Week: Oct 28-Nov 1

We Are honored to have Pastor Danielle Berumen join us for this year's Fall Week of Prayer. Danielle Berumen is the Youth Pastor of the Palm Springs Seventh-day Adventist Church..

Week of Prayer is a special time that happens twice a year in both the Fall & Spring. It is a time to come together as

a school family to pray, worship and reflect.

All students will meet together each day in a morning chapel. We look forward to Pastor Danielle's theme & message. We hope our students, teachers, and parents will be greatly blessed.

Please be sure all students arrive at school on time.

Good Games, Food, & Fun at Fall Fest/Movie Night

Brielle Dial and Greta Emori watching our newest game, the Pig Races.

We all had a wonderful time at this year's Fall Festival last Saturday night.

So many enjoyed cheese enchiladas, Mrs. Rivas' Veggie Burgers, root beer floats, popcorn and sweet treats. Some of the popular places included the Penny Toss as many tried to take home one of the many stuffed animals, the Dart Throw,

and the Bounce House.

Families enjoyed Toy Story 4 shown outside on a big screen.

We want to say a big thank you to our families who came out, volunteered & supported this event to make it a success. We couldn't have done it without you.

Thank You!

Bible Text of the Week

Speaking to one another with psalms, hymns, and songs from the Spirit. Sing and make music from your heart to the Lord, always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ.

CLASSROOM SPOTLIGHT: Pirates Discover Joshua Tree

On October 9, the 2nd-4th Pirates piled into cars and embarked on a day full of adventure at Joshua Tree National Park. In the weeks previous, the pirates had been reading about landforms and how they are formed. We had been talking about different types of rocks and the different ways that rocks are created. So, when they got to the park they

They had their water bottles, backpacks, and sunscreen on. We met our awesome Park Ranger at the Black Rock Ranger station and started our two hour hike. On the hike the kids got to play a fun game of Nim with rocks, and use a jewelers loop to discover the different minerals, colors, and composites that make up the rocks

looking at different rocks and plant life under the microscope. This was truly a day full of laughter, fun, and hands on learning. DAA pirates cannot wait to go back next year.
